Today's home includes contemporary conveniences and complex systems that can be costly to repair or replace when something goes wrong. At ERIE, we didn't like the sound of that, so we did something about it.

## Introducing Equipment Breakdown Coverage

Now you can get an extra cushion of protection for major appliances and home systems right in your homeowners policy – with ErieSecure Home® and the Select bundle with Sewer and Drain Backup Coverage\*.

If you're an ERIE customer who already has the bundle, you get this great new coverage at no additional charge. And if you don't have the Select bundle, it doesn't cost a lot to add it - just talk to your ERIE agent.
